Sir:

I, Jin-hwi Jeong, hereby declare and state:

THAT I am a citizen of the Republic of Korea;

THAT I have received the degree of bachelor in science in the year
of 2001 from Hanyang University; and

THAT I have been employed by SAMSUNG ELECTRONICS, CO., LTD. since
05/ Jan. / 2001, where I hold a position as engineer of Digital Media.
R&D center, with responsibility for research in Digital Television.

I further declare and state as follows:

7. I have reviewed the Non-Final Office Action dated December 14, 2006 in the above identified application and the rejections contained therein, including the rejection of claims 1, 4-5 and 8 under 35 U.S.C. § 102(e) as being anticipated by Jeong et al. (US 2003/0223519 A1; hereinafter "Jeong publication").

8. I am a co-inventor of the above-identified application.

9. I am also a co-inventor of the Jeong publication;

10. I am familiar with the above-identified application and the prosecution of the Jeong publication;

11. Specifically, in connection with the above-mentioned Non-Final Office Action, I solely conceived of and reduced to practice, thus am responsible for, the disclosure in the Jeong publication being relied on by the Examiner in the above-noted rejection under the Jeong publication.

12. Therefore, the disclosure in the Jeong publication being relied on by the Examiner was not published "by another" since the instant application and the Jeong publication have the same inventive entity.

13. I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
